Action: AFFIX "S" SUFFIX; RETAIN C/C

Inmate Bloodsaw appeared before PBSP FAC A UCC on this date for Program Review. Prior to Committee, D. Melton was assigned as staff assistant and was present during Committee. The staff assistant was assigned for the following reasons: CCCMS level of care, and S's current RGPL is 4.0 or less. Committee effectively communicated with S as noted: Short sentences using simple English. Committee noted S has an RGPL of 3.3. Effective communication was achieved, and S appeared to understand. This Program Review is being held for the two following reasons: (1) Review for "S" suffix placement; and (2) Address prior D1/D and/or C/C status. S was asked if he was willing to take a cellie and program, and S stated, "No." Committee noted S has no cellmate and the "S" custody suffix has not previously been applied. **Committee acts to affix the "S" suffix, due to S adamantly refusing to take a cellie and program.** S was advised that the "S" suffix can be taken off when he decides to program and adhere to CDC rules and regulations of double celling. Committee notes that ICC of 6/22/05, assigned S to WG/PG D1/D when placed in AD-SEG. Per memo of 9/17/04, any I/M who is placed in AD-SEG while on C/C status shall be assigned to WG/PG D2/D. This shall be assigned whether or not the move was adverse or non-adverse. **Committee acts to clear this error and make S D2/D effective 6/10/05 through 8/2/05, then C/C 8/3/05 until present UCC.** As S is adamantly refusing to program, **Committee acts to retain S on WG/PG C/C. Committee further acts to continue custody level at CLO BS, with WG/PG C/C effective 8/3/05.** S participated in Committee, acknowledged understanding, and agreed with Committee action, stating, "I refuse to take a cellie. I'm telling you straight up, I'm a Crip." S was advised of Committee's decision and his right to appeal, and that any appeal of this Committee action must be submitted within 15 working days of this date, whether he has received the CDC Form 128G Classification chrono or not. Next scheduled Committee will be in 6/2006, for Annual Review.

**Action: PLACE IN BMU PROGRAM FOR 90 DAYS, ON STEP 1 OF ITP FOR 30 DAYS. CONTINUE C/C EFFECTIVE 07/14/06.**

Inmate Bloodsaw appeared before PBSP FAC B BMU UCC on this date for Annual/Initial Review. Committee notes CDC 128C, Madrid Exclusionary chrono, dated 03/01/04, denoting no level of care. DDP Review: 128C-2 in Central File. Prior to Committee, Correctional Counselor I Webster was assigned as staff assistant and was present during Committee. The staff assistant was assigned for the following reasons: most current RGPL under 4.0. Committee notes S has an RGPL of 3.3. Effective communication was achieved using short sentences and simple English, and S appeared to understand. Committee notes S's reason for Behavior Modification Unit (BMU) placement is due to: S was deemed a program failure defined by the CCR, Title 15, Section 3000. S is determined to be compatible with another inmate and refuses to voluntarily double cell, or refuses to participate in the racial integration policy as defined in the Johnson v. State of California settlement agreement. UCC notes latest RVR dated 03/28/05 for Refusal to Obey Orders (refused a cellmate). The Director's rules, PBSP expectations, and specific privileges and non-privileges of WG/PG C/C were thoroughly explained. Grooming standards and PBSP expectations were discussed and S stated he was willing to comply. Committee notes S has one new 115 this review period; fro Refusal to Obey Orders dated 02/23/06 (S refused to return to his assigned cell). Placement score is increased by 2 points to a current Level IV score of 93 points. Mandatory score of 19 is noted for VIO. S was advised to notify staff immediately of any enemy situation which may arise. Committee noted S has no cellmate, and the "S" suffix has previously been applied. S is approved for 270 design facilities. There have been changes in S's commitment case factors since Initial Classification chrono dated 03/02/04. **Committee acts to place S into the BMU program for 90 days and place on step # 1 of Individual Treatment Plan (ITP) for 30 days. S was advised of his ITP which includes the basic requirement that he remain disciplinary free for 90 days prior to any consideration for his release from BMU and his completion of the selected behavior modification assignments. Continue WG/PG C/C status effective 07/14/06, and continue at CLO BS custody. Committee also acts to retain "S" suffix due to UCC action dated 10/18/05. S adamantly refused to double cell. UCC notes S is reviewed and cleared for double celling although he refused to double cell. S participated, acknowledged understanding, and disagreed with Committee action, stating "I won't take a cellie because of legal work and medical issues. I am here illegally. I am disabled, I have spine issues." UCC stated single cell status is not a ADA issue. S continued stating, "There is nothing wrong with me. I know what I am doing, but I am disabled. I could not care about the US." UCC stated you have to appeal to the courts. S lastly stated "I have been discriminated against as a Black man." UCC notes S walked unassisted to UCC, sat upright, straddling a chair, and did not grimace when he stood back up to exit the Committee room. S is eligible to work around computers, computer systems, or be in areas that may have access to personal information per PC 2702, PC 502, or PC 5071. PC 2933 and 2930 complied with. S was advised of Committee's decision and his right to appeal. The inmate has been advised that any appeal of this committee action must be submitted within 15 working days of this date, whether he has received the CDC form 128-G classification chrono or not. Next scheduled Committee will be on 10/25/06 for Program Review.**

Inmate Bloodsaw refused to appear before PBSP FAC-B Behavior Modification Unit (BMU) UCC on this date for 30 Day Program Review. Committee notes CDC 128C, Madrid Exclusionary Chrono, dated 03/01/04, denoting no level of care. DDP Review: 128C-2 in Central File and is clear noting NCF. Committee notes S has an RGPL of 3.3. Prior to Committee, Correctional Officer J. Thom was assigned as Staff Assistant, interviewed S at least 24 hours prior to UCC, per CCR, Title 15, Section, 3315(d)(2)(A) and was present during Committee. The Staff Assistant was assigned based on S's current RGPL is 4.0 or less. S is advised, via this chrono, to notify staff immediately of any enemy situations that may arise. Grooming standards and Pelican Bay State Prison (PBSP) expectations were discussed. S is cleared for double celling per PBSP's current double cell policy, and can be celled with Black ethnic groups, although he refuses to accept a cellie. Committee further notes that S has no current cellmate, and the "S" custody suffix has not been previously applied. S is approved for 270' design facilities. Placement score is noted to be 93 Level IV points. Committee further notes S was initially placed into the BMU program on 09/21/06, based on: **S was deemed a program failure defined by the CCR, Title 15, Section, 3000.** Committee notes that since S's prior 30 day Program Review, he received RVR dated 01/22/07, for Recurring Failure to Meet Program Expectations. S has also refused to participate in the required BMU ITP classes, dated, 01/18/07 and 01/19/07. Based on the above information, UCC is in mutual agreement that S has not met the necessary requirements of Step # 1, and therefore, is not eligible to graduate to Step #2. Step # 1 Privileges include, but are not limited to:

- ❖ WG/PG, C/C status for approximately 30 days.
- ❖ Emergency telephone calls only.
- ❖ One-quarter (1/4) the monthly canteen draw allowance, not to exceed \$45.00.
- ❖ A minimum of 10 hours out-of-cell time per week, which may include dayroom, workshops (ITP classes) and self-help-group activities, as limited by physical design and local institution security and facility needs.
- ❖ Non-contact visits, if eligible; with approved visitors only.

Committee acts to reaffirm S's placement in the BMU program and retain on Step # 1 of the Individual Treatment Plan (ITP) for approximately 30 days. Committee also acts to continue WG/PG, C/C status effective 07/14/04, and continue at CLOB custody. S was reviewed and cleared for double-celling, noting no history of in-cell violence. S is advised, via this chrono, that he must remain disciplinary free, including any 128-A Counseling Chronos, and complete the selected behavior modification assignments as directed, prior to being considered for release from the BMU to the General Population (GP). S's case will be reviewed in approximately 30 days to establish future program modifications. S is eligible to work around computers, computer systems, or be in areas that may have access to personal information per PC 2702, PC 502, or PC 5071. PC 2933 and 2930 have been complied with. S was advised, at the completion of UCC, via the staff assistant, of Committee's decision and his right to appeal, and S appeared to understand. Next 30 day Program Review will be on 02/27/07. Next Annual Review in 06/07.

**RECOMMENDED ACTION:** Retain in SHU indeterminate status upon expiration of MERD. Refer to CSR recommending transfer PBSP/COR SHU.

**ADMINISTRATIVE PLACEMENT FACTORS:** Inmate BLOODSAW refused to appear before PBSP AD-SEG, ICC on this date for Pre-MERD Review. Pursuant to CCR 3336 the Reason for Placement (Part A) is: S is serving a determinate SHU term due to RVR 04/12/07, Battery on a Peace Officer, with a MERD of 04/12/2008.

**DISCUSSION:** Committee notes S is endorsed for transfer to PBSP SHU. Due to the lack of SHU bedspace S has remained in ASU on Active MERD. Committee reviewed S's disciplinary history which includes two RVR's that resulted in determinate SHU terms. S has been found guilty of RVR's dated 08/11/99, Attempted Battery on a Peace Officer, 04/12/07, Battery on a Peace Officer 12/19/07, Indecent Exposure and numerous RVR's for recurring Failure to Meet Program/Work Expectations. Committee views S's refusal to appear at ICC for his Pre-MERD Review, as another example of his refusal to program. Committee deems S's presence in GP poses an unacceptable risk to the safety of others and the security of the institution. Committee acts to retain S on SHU Indeterminate status upon expiration of MERD.

**STAFF ASSISTANCE:** More than 24 hours prior to Committee, Correctional Officer J. Kay was assigned as SA. The SA was assigned as S has no documented reading level or his reading level is below 4.0.

**MENTAL HEALTH REVIEW:** ICC notes CDCR 128-C, dated 06/27/01, noting S is not a participant in the MHSDS level of care.

**DA ACTION:** N/A

**CELL STATUS:** S is cleared for double celling.

**YARD STATUS:** Committee acts to place S on Walk Alone Yard Status, Individual Exercise Yard, based upon case factor review.

**COMMITTEE ACTION:** Committee acts to refer this case to the CSR with recommendation for transfer to PBSP, with alternate of COR, for SHU placement. This is an adverse transfer. Upon transfer, S's custody will be MAX; WG/PG D1/D effective 09/13/07 and single cell housing will not be required.

**INMATE COMMENTS:** N/A

**APPEAL RIGHTS:** As S's case was reviewed in absentia, he will be advised of his rights via this chrono.

On March 28, 2005, at approximately 0930 hours, I was performing my duties as the AF2 Floor Officer #2 with RDO's of Wednesday/Thursday. I was informed by the Facility 'A' Program Sergeant M. Lujan that AF2 A-Section (PBSP Orientation Unit) would be receiving several inmates from CDC transports. Several inmates already housed in the Orientation section were cleared by the Facility 'A' Unit Classification Committee (UCC) for release from Orientation to the mainline. Sergeant Lujan instructed me to double cell the existing single cell General Population inmates housed in AF2, in order to allow the inmates housed in Orientation cleared by UCC to be moved into the vacated cells in A and B Sections. I informed Inmate BLOODSAW, P-20045, AF2-125L, it was necessary that he receive a cell partner. BLOODSAW stated he would not accept a cellmate. BLOODSAW was informed that his response would be considered a refusal to comply with orders related to PBSP General Population housing expectations that inmates voluntarily double cell. ---------------------------------------	--	--	---	--------------------------------------	--------------------------------

**Hearing:** The hearing was convened on 04/10/2005, at approximately 0750 hours when I introduced myself to BLOODSAW as the Hearing Officer for this disciplinary. BLOODSAW stated he was in good health with normal vision and hearing. BLOODSAW acknowledged that he received a copy of the following document more than 24 hours in advance of the hearing: CDC-115. This report as well as the disciplinary charge of REFUSAL TO OBEY ORDERS was reviewed with BLOODSAW in the hearing. He stated that he understood both and that he was prepared to begin the hearing.

**District Attorney:** This has not been referred for criminal prosecution.

**Due Process:** The disciplinary was served on the inmate within 15 days of discovery and the hearing was held within 30 days of service. The inmate received his copies of all documents more than 24 hours in advance of the hearing. There are no due process issues. The behavior of this inmate was evaluated at the time that the Reviewing Supervisor reviewed this disciplinary report. The Reviewing Supervisor concluded that a mental health assessment was not required. The SHO concurs. There is no compelling need for a mental health assessment based upon the circumstances given in this report.

**Staff Assistant:** BLOODSAW was assigned a Staff Assistant as BLOODSAW is illiterate (reading score of 4.0 or less). The assigned SA, OFFICER B. GARDNER, was present at the hearing. The assigned SA confirmed that BLOODSAW was interviewed more than 24 hours in advance and offered an explanation of hearing procedures, disciplinary charges, the evidence supporting these charges and the right to request confidentiality. BLOODSAW stated that he understood and that he was prepared to begin.

**Investigative Employee:** An IE was not assigned as the issues are not complex and the available information is sufficient. Per the CDC 115-A and his statements in the hearing, BLOODSAW has not requested IE assignment.

**Request for Witnesses:** BLOODSAW waived all witnesses and the SHO requested none.

**Video and photo evidence:** Videotape or photographic evidence was not an issue for this hearing.

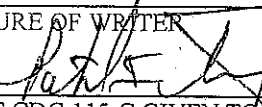

**Plea:** Guilty

**Hearing testimony:** BLOODSAW gave the following testimony as his defense: "No statement."

**Finding:** Guilty of the Div. F-3 (CCR 3315 (a)(3)(J)) offense REFUSAL TO OBEY ORDERS. This offense requires evidence that the inmate was given a direct order by a staff member and the inmate refused to comply with this order. This finding is based upon the following preponderance of evidence:

- A. The testimony of OFFICER L. GUTIERREZ in the disciplinary report of 03/28/2005 wherein OFFICER GUTIERREZ testifies that BLOODSAW was ordered to double cell and refused to comply.
- B. BLOODSAW'S guilty plea at the time of this hearing.

**Disposition:** Assessed 30 day credit forfeiture for this Div. F offense. BLOODSAW was informed that his credit restoration period began 03/29/2005 and this restoration period is a minimum of three months (if within 60 days of scheduled release, the minimum is reduced to one month). If he is found guilty of any administrative or serious CDC-115 issued during this credit restoration period, he forfeits his eligibility for restoration. If he completes this restoration period disciplinary free, he may request a classification review. Classification will make the final determination whether he is eligible for restoration or request an additional period of disciplinary free conduct. Contraband was disposed of per DOM

CELL: AF04-223U

On 04/01/04, at approximately 1700 hours, while I was assigned as the AF-4 Control Booth Officer, I was informed by A-Facility Program Sergeant J. Diggle that I needed to empty a cell. Sergeant Diggle gave me a list of compatible inmates. On the list were inmate BLOODSAW, P20045, AF4-223 and inmate HALE, K-55936, AF4-230. At approximately 1750 hours I opened cell AF4-223 and cell AF4-230. BLOODSAW and HALE walked down to the C-Section dayroom. I informed both inmates I needed to make a empty cell. HALE stated, "No way" and walked back to his assigned cell. BLOODSAW stated, "You're trying to set me up" and walked back to his assigned cell. General population inmates at P.B.S.P. are required to comply with P.B.S.P. housing expectations. It is the expectation that compatible inmates housed in general population double cell. Both BLOODSAW and HALE are non-affiliated black inmates.

This disciplinary was originally written by Correctional Officer J. Holz as a CDC 115 for FAILURE TO MEET PROGRAM EXPECTATIONS. Prior to being classified I reduced it to a CDC 128A in the interest of justice. This is in keeping with the progressive disciplinary process.

On Thursday August 19, 2004 at approximately 1900 Hours, I escorted inmate **MADDOX H-73538** to Unit 4 ( A-Facility ) in an attempt to voluntary double cell inmate **MADDOX T-06898** with inmate **BLOODSAW**. Inmate **BLOODSAW** refused to accept **MADDOX** as his cell mate. **BLOODSAW** stated, " I ain't gonna take a cellie." General Population inmates at Pelican Bay State Prison are required to comply with Pelican Bay State Prisons housing expectations. It is the expectation that compatible inmates housed in General Population voluntarily double cell. All documentation available states that both inmates are compatible due to similar case factors. **BLOODSAWS'** refusal to accept a cell mate will result in a CDC 115 in the future.
